DEMOCRATIC VEETING

structions for "Our Mark."

The following resolution was passed yesterday's proceedings:

cation of ability, integrity and demowho will not only poll his full party strength but will draw more than any Dr. Sweet and F. M. McKey re- other from the ranks of our political turned to Bisbee today after attending sdversary. We look with pride upon record is a guarantee that his future sctions as the representative of this territory in congress will be in accord plicants.-Runge Nows. with the best interests of the people that not only the interests of the people but the very safe-guard of the republic demand an expansion of the circulating medium and we now again pledge our allegiance and support of by the convention which spread itself with glory by nominating Wm. J. nation and unqual fielly pronounced use of Hall's Catarrh Cure. the democracy of Cochise county in favor of free and unlimited coinage of silver without waiting the advice or consent of any foreign power or their monied representatives in this

> Believing that the Hon. Marcus A. Smith is the embodiment of these sentiments, our representatives in the territorial convention are instructed to vote for and to use all honorable means to secure his nomination, cur delegation to that convention are instructed to vote as a unit, and the majority of such delegation shall have the power and authority to cast the vote of the entire del gation and it seems to us as a fitting conclusion of these credentials that we harbor the hope that the convention may be the recipients of the pest les congratulations for a duty well performed when you have given them the opportunity to cast their votes for their favorite son.
